1. Report Overview

Preliminary & Unaudited Notice. This management-prepared report is preliminary and unaudited. It is not an independent accountant's report and is not a substitute for an IRS Form 990-series filing, a state filing, or a bank statement. Missing bank rows are not evidence of zero activity, and amounts may change when the close is completed.

This document presents Humanity Pathways Global's ("HPG") preliminary financial activity for calendar year 2024. It reflects HPG-only known activity assembled from the operating bank account and approved accrual and noncash entries. It is issued by management for public transparency while the annual close and independent review remain in progress.

Scope, Method & Known Gaps

Reporting period	January 1 – December 31, 2024
Currency	USD
Basis	Cash basis (bank activity) plus approved accrual / noncash entries
Primary operating account	Relay HPG Checking, account ending 7674
Included	HPG-only known activity
Excluded	Savings accounts and sponsored-project subaccounts
Known gaps	Relay history, opening cash, and statement closing cash are incomplete
Status	Preliminary • Unaudited • Management-prepared

Because the bank history is incomplete, missing rows are not treated as evidence of zero activity. Figures presented here reflect only what has been controlled and reconciled to the source records available at the time of preparation, and may change when the close is completed.
